

# Navigating Altrusa

Being Altrusans, volunteerism is the fabric of our lives and we are guided by our own internal compass. The logo seen here evolved from one of my hobbies, quilting. With this version of a Mariner's Compass we can guide a successful journey through the next biennium. The yellow background in the Compass represents Altrusa International. The red and pink area represents the four states of District Three and the four blue/teal area represents the four goal areas for the 2019-2021 biennium. As you can see the Goals we set are supported by the clubs in the four states and those four states are supported by Altrusa International.

The points of the compass guide us in the direction of our goals. The North point of the compass represents creativity and helpfulness. The East point of the compass represents love and compassion. The South point of the compass represents adventure and passion. The West point of the compass represents confidence and persistence.
