

Altrusa's Support Our Soldiers (SOS) International Project is a way of saying Thank You to the active duty service men and women who are devoting their lives in faraway places in order to ensure peace with vigilance for us and our loved ones and saying Thank You to our veterans.

Each of us can participate by performing random acts of kindness, such as buying a soldier in uniform a meal, volunteering to place flags on veteran's graves on Memorial Day or simply thanking them for their service.

Together as a club, we can do so much more. We can:

- Send Care packages to deployed Troops
- Provide Assistance to wounded Troops returning home
- Provide Assistance to our homeless veterans

On pages 13-19 in the August 2019 District Three DSB you'll find in depth information written by Winter Park Club member Carol Thomas to help you and your club decide how your club can thank our active military or veterans through your participation in our SOS Project.

Please let me know when you've completed rollout of SOS and any special plans you may have for making your SOS project a success. Also, please email your SOS Project pictures to me as well.

Good luck to every club and God Bless you for participating in this great project. I look forward to hearing all about your SOS project plans.

In Altrusa Service,

*Hilma Hicks Gaskins*
