

GOVERNOR GREETINGS

JUNE 2021

Volume 1, Issue 2

FLORIDA, GEORGIA, NORTH CAROLINA AND SOUTH CAROLINA

SPRING INTO SERVICE Above and Beyond Altrusa Lifts Lives

As we begin our new fiscal year, members take on new leadership roles in their clubs. Whether you are the club President, Vice President or a Committee Chair, you will be looking inward and pondering your leadership skills. It is OK, we all do it, no matter the position we have taken on and no matter the level of responsibility we have. That feeling will keep you on your toes, keep you grounded and help make you a better leader for your club.

A good leader sets a clear vision, they motivate and build morale. They will communicate effectively, are flexible, they have patience and true compassion. True leadership lies in guiding others to success! So, make these ingredients of your leadership style as we spring into service.

Now let's think about a few things we can implement into our club roles, "**strategic thinking**", sometimes this can encourage us to think outside the box and helps us see the bigger picture of our club's needs. Then there is the all-important "**listening**", I don't know about you, but this can be a tough one for me! We all have so much going on and sometimes it is hard to stay focused. We need to learn to pay attention and demonstrate to others that we value what they are saying. That leaves "**guidance**", learn to guide others, develop and work with club members to help create their individual styles not imprint your own.

Hopefully these tips will help leaders in your club to inspire those that could be future leaders.

Thank you all for your exemplary service to Altrusa,

Shannon

2021-2023 BIENNIUM GOALS

Together we can reach new heights! Every club should strive to attain these three important Biennium Goals.

Remember, the journey can be as important as achieving the goals in lifting others' lives and building better communities.

1. LEADERSHIP:

Set the roadmap for your goals. Submit a Club Strategic Plan to the District Governor.

2. SERVICE:

Shine a spotlight on your Club's activity or project. Submit at least two (2) articles to the DSB for publication.

3. MEMBERSHIP:

Help grow Altrusa with a net gain of four (4) or more new members during the biennium.

CONVENTION IS ALMOST HERE

Altrusa members from around the world will gather July 28-31 to begin our International Convention "Racing to Success" at the **Hilton Charlotte University Place**. This beautiful hotel is surrounded by specialty shops, vibrant bistros and lively entertainment. It is known as the "Queen City" and home of the Charlotte Motor Speedway and NASCAR racing museum.

But best of all it will house hopefully hundreds of Altrusa

brothers and sisters. Of course, there will be business meetings, lots of mingling and meals, a hands-on service project and of course our International Board elections and many informative workshops. It is truly a wonderful time catching up with old and new friends and fellow Altrusans.

Attending Convention is a great Altrusa experience and I do hope you will consider representing your Club and District Three.

CLARITY FLEXIBILITY INCLUSION

These are not just words, our brand drivers are front and center in all that we do.

The CLARITY of who we are and what we are about is clear.

Our FLEXIBILITY shows in how we meet the needs of our members.

Our acts of caring for all those in our communities helps us foster our INCLUSIVE culture.

"Never doubt that a small group of thoughtful, committed people can change the world. Indeed, it is the only thing that ever has".

- Margaret Mead
