Judging Committee

The Altrusa District Three Foundation Board serves as the Literacy Service Award committee and appoints three (3) prominent members of the general public to serve as judges for the District competition.

Judging Criteria

The judges may disqualify any entry for violating any rule of entry. In evaluating entries, the judges will place primary importance on the narrative. Substantiating materials will be considered only from a supplementary perspective. The amount of funds expended on an activity will not play a prominent role in selecting the award winners.

In selecting award winners, the judges will take into consideration the selection, development, implementation and evaluation of the service project. Statements are listed on the score sheet to help the judges evaluate the components of the service project. These statements are not all-inclusive, but are intended as a guide to applying the judging criteria. The clubs can use the judging score sheet as a guideline for action, from beginning to end, of the service project.

Winning Entries

The names of the first-, second-, and third-place winners shall be kept secret until the awards are presented at the District Three Conference. Score sheets shall become the property of the sponsoring club. A monetary award will be presented to the first-place winner and certificates will be awarded to the first, second and third place winners.

The first-place winner will receive a check in the amount of the interest earned on the principle balance of the endowed account as of March 31st. This money is to be used by the Club to further their service projects.
